<b>Mission:</b>	To support the choices of individuals with disabilities and their families by promoting and providing within communities, flexible, quality, consumer-driven services and supports.
<b>Focus Issues:</b>	Individuals with developmental disabilities are valued members of their communities and are involved and participating based on their own choices.
<b>Target Population</b>	See eligibility criteria
<b>Geographic Areas Served:</b>	Statewide
<b>Eligibility Criteria:</b>	Any Arizona resident, age 6 or above, who has a chronic disability which is attributable to mental retardation, cerebral palsy, epilepsy or autism that was manifested before the age of 18 may be eligible for services. The disability must also result in substantial functional limitation in three or more major life activities. Children under the age of six may be eligible for services if there is a strongly demonstrated potential that the child is, or will become, developmentally disabled.
<b>Transition Services and Activities:</b>	The support coordinator provides information regarding services available through other state entities for transition purposes and assists the individual and family, with their permission, in obtaining appropriate transition supports and services.

<b>Languages Spoken:</b>	Interpreter services are available to meet the individual and families needs
<b>Funding Source(s):</b>	Primarily Medicaid, State and Federal Early Intervention Dollars
<b>Fee For Services:</b>	Services that individuals who are non-Arizona Long Term Care eligible receive
<b>Additional Comments:</b>	The Division believes individuals can best be served in integrated community settings. Thus, the majority of services and supports are tailored to meet the individual needs at home and in other community based environments.
